

Jonathan “JD” Andrews

Front-end Developer & Multimedia Marketing Specialist

jdandrewsdev@gmail.com | (313) 908-3007 | [/in/jdandrews11](https://www.linkedin.com/in/jdandrews11) | [jd-andrews](https://github.com/jd-andrews)

I’m a creator. It started with writing, then I added photography, then design, and most recently front-end development. I enjoy making things better. With help from analytics, I understand user needs and optimize a product or service to meet those needs. I have experience working in a variety of company sizes and am flexible when it comes to work environment and collaboration.
